

REMARKS

The Examiner is thanked for allowing the above-identified application and for the telephone interview of February 11, 2008, in which the need to file a Petition to Accept an Unintentionally Delayed Priority Claim was discussed in view of the typographical error in the first lines of the specification of the application as filed, which was inadvertently left uncorrected during the required time frame of 37 CFR §1.78(a)(2). In the specification as filed, reference is made to a prior Application No. "10/XXX,XXX, filed 20 October 2003", leading to an improper benefit claim under 35 USC §120 to this prior application.

In response to the Ex Parte Quayle Action dated February 14, 2008, Applicants submit herewith an Amendment under 37 CFR §1.312 to amend the first paragraph of the specification following the title to include a proper reference under 37 CFR §1.78(a)(2). Submitted with this Amendment is an executed Application Data Sheet, which also contains the proper reference required by 35 USC §120 and 37 CFR §1.78(a)(2) to the prior application, Application No. 10/687,706 filed October 20, 2003, for which the benefit of priority is requested. Applicants also file concurrently herewith a Renewed Petition to Accept an Unintentionally Delayed Priority Claim under 37 C.F.R. §1.78(a).

No issues of new matter should arise and entry thereof is respectfully requested.

The Commissioner is authorized to charge the surcharge set forth in 37 CFR §1.17(t), and the four-month extension of time fee of \$820 to extend the period of time for replying to the Ex Parte Quayle action from April 14, 2008 to August 14, 2008. The Commission is also authorized to charge any other necessary fees, or credit any overpayments, to our Deposit Account No. 08-0219, under Order No. 0102258.00170US3 from which the undersigned is authorized to draw.

Respectfully submitted,

Dated: August 13, 2008
